

How to make a mask with nose pads

★What you need to make a mask.

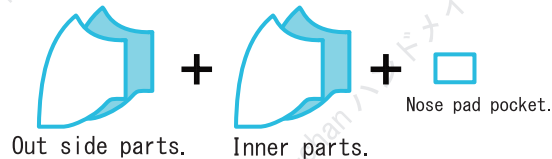

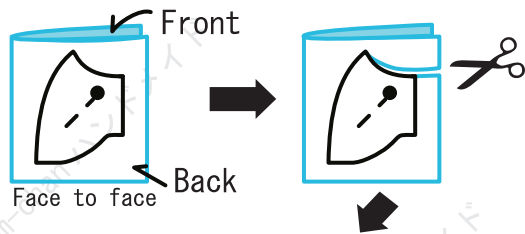

Sewing machine,
Or needles and threads for hand sewing,
Iron,
Scissors,
Pins and pin cushions,
Fabric,
Elastic cord,
bodkin

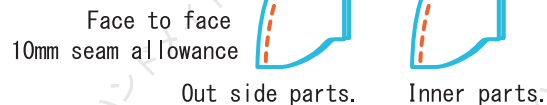

① Cut the printed pattern pieces.

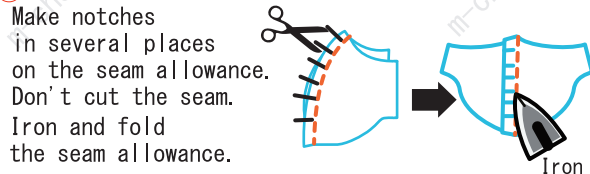

② Cut the fabric.

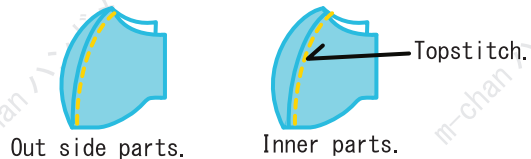

③ Sew pieces.

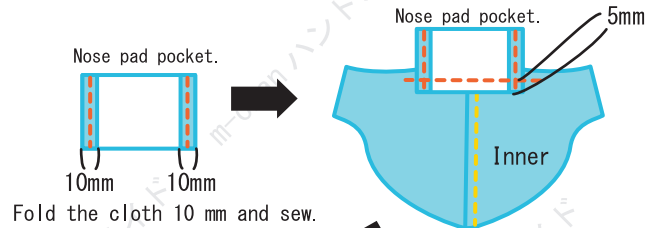

④ Make some notches and iron.

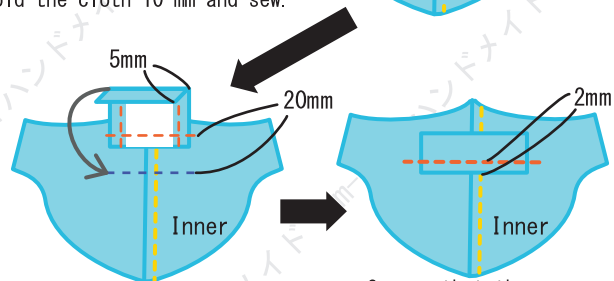

⑤ Sew

⑥ Fold and sew.

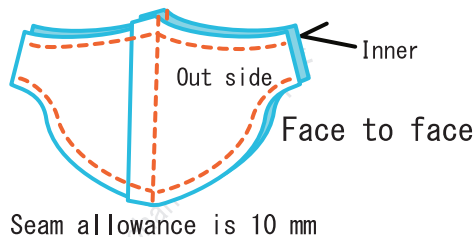

Fold the cloth 10 mm and sew.

The nose pad pocket should be slackened and folded to accommodate folded tissue paper.

Sew so that the nose pad can be put.

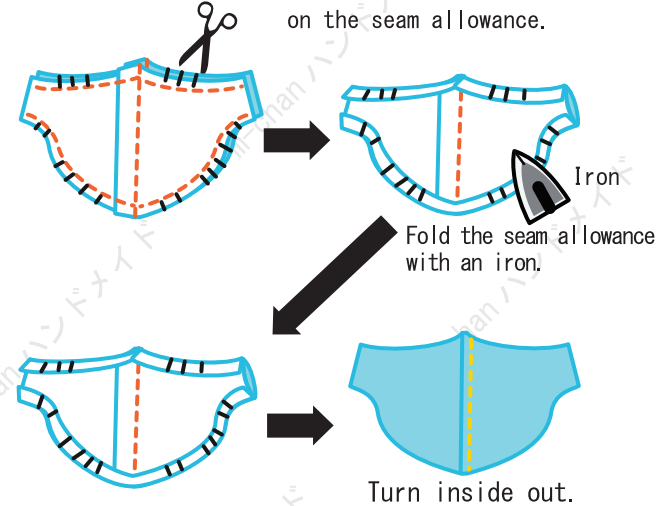

⑦ Sew

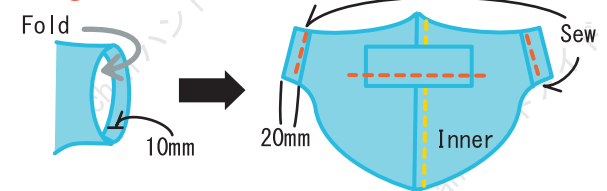

Seam allowance is 10 mm

⑧ Cut and iron.

Make notches in several places on the seam allowance.

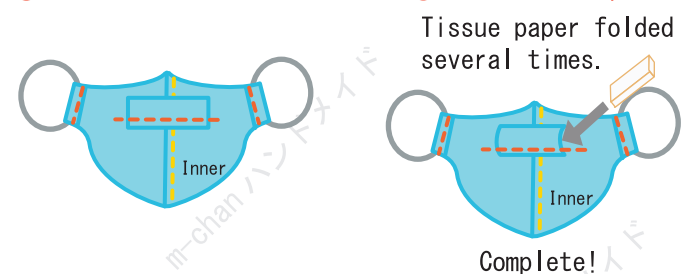

⑨ Fold and sew.

⑩ Thread the elastic cord.

⑪ Insert nose pad.

Tissue paper folded several times.

Complete!

The nose pads and the open bottom of the mask make it cooler and easier to breathe.

★This pattern can be printed in letter size.
